

Remarks

Upon entry of this amendment, claims 142, 154, and 156-162 will be pending.

Amendments to the Claims

Applicants have made minor amendments claims 142 and 156. These amendments merely clarify the claims, introduce no new matter, and do not narrow the scope of the claims.

Interview Summary

Applicants wish to thank Examiner Skelding for discussing the pending claims in telephonic interviews of February 22, 23, and 27 of 2007. Applicants and Examiner Skelding agreed that amending the claims as shown in this paper would place the claims in condition for allowance.

Applicants and Examiner Skelding also discussed the antibody encoded by the vector in ATCC deposit No. PTA-5913. Applicants confirm that this antibody is MEDI-528.

Respectfully submitted,
